Fast Track Event Schedule

Multi-day event packed for maximum impact

Each of our live FAST TRACK events follow an agenda designed to optimize your learning experience, immerse you in the business, and allow you to make beneficial connections.

We provide a format that allows you to learn from real-world examples so you have complete knowledge of not only the process, but how to apply the process to your own business and get real, measurable results.

Meet & Greet

Our students come from all over the country. To get our events started we have an optional pre-event reception, where you have an opportunity to network with your fellow students, as well as direct access to the master trainers.

Day 1—9am to 5pm

This is a full day of in classroom training. You'll learn exactly what residential assisted living is, how to start one from scratch and how to buy an existing residence. You'll learn exactly how to find them, fund them and fill them. You will also learn how to operate the home without needing to be on-site. You will get the proven marketing secrets to fill your home and how to find the right staff to operate it.

Day 2—8:30am to 5pm

This is where the action starts. We cover case studies of actual assisted living homes owned and operated by actual RALA students! You will meet the operators as they take us through virtual tours of the homes. Day 2 is the highlight for most students where they truly understand the concept of doing good and doing well.

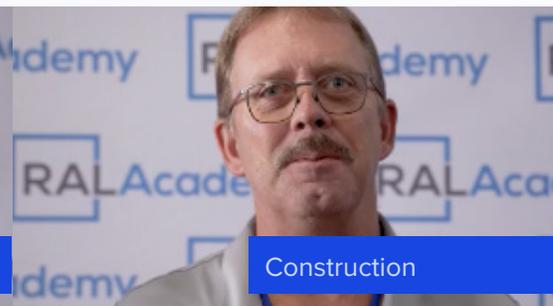

Day 3—9am to 4pm

This is the day where we put it all together. We analyze the financials of actual projects as well as examining site selection and reviewing architectural design and planning. You will learn how to fund the deal with or without your own money, how to attract investors and how to raise capital. We provide you a systematized proven method to succeed in the residential assisted living business.
